NOTICE OF PRINTING ERRORS

Dear Sir:

The above-identified patent contains the following the printing errors.

Under the Foreign Application Priority Data, the German Priority Applications Nos., “-103 02 225 and 203 06 924” should read --103 02 225.2 and 203 06 924.2--.

In the Abstract, third paragraph, first line, “the two more” should read --the two or more--.

At column 7, lines 48-49, “FIG. 3” should read --FIGS. 3A and 3B--.

Because the printing errors are not believed to affect the true meaning or scope of the invention, a Certificate of Correction is not indicated. However, it is requested that this Notice of Printing Errors be placed in the file of the above Letters Patent in order to note the errors in the public record.

Respectfully submitted,

The Culbertson Group, P.C.
